

Reimagining basic and life skills through citizen-led, locally tailored, joined up learning

A Citizens' Curriculum for Lambeth and Southwark

Stakeholders

Learning providers

Local residents

Employers

Support services

Key priorities ● Gaps ● Challenges ● Suggestions for future focus areas

ACTIVITIES

Mapping local programmes, provision and initiatives that improve people's health and basic skills, in priority areas of Lambeth and Southwark

OUTCOMES

Online, interactive maps of local provision
Identify up to four neighbourhoods where future pilots will take place

IMPACT

A joined-up, citizen-led local learning offer to help manage long term health conditions, support people to lead healthier lives and improve employment opportunities
